3. The roads highlighted in yellow in this schedule will be part of a circuit subject to 2.5 laps for all riders before the finish of the race. Extended disruption should be expected on this circuit. Best estimate timings are shown in Column 5 for the roads affected and the exact timings on the ground will be dependent on race progress on the day. If delays occur on the route during the race the arrival time may be later than shown in column 5 but the closure is still valid for the duration of race operations.
